"Learn of me, and listen to my words; walk in the meekness of my Spirit, and you shall have peace in me." D&C 19:23

Dear Garden Park Ward,

I hope you are all doing well and feeling some optimism as we move through these cold, dark months and anticipate spring on the horizon.

This week, Judianne and I watched a movie called *The Electrical Life of Louis Wain*. Louis Wain was an artist who focused exclusively on cats and did much to popularize them as pets. He struggled with mental illness throughout his life, and his wife Emily was an enormous source of comfort and sanity for him. I was touched by an exchange between them as Emily was dying of cancer:

Louis: You make the world beautiful and warm and kind. I just wanted to say thank you for that before it's too late.

Emily: I don't make the world beautiful, Louis. The world IS beautiful. And you've helped me to see that too.

We live in a remarkably beautiful world, even if that beauty can be hard to see at times. And what a gift it is when someone, through their warmth and kindness, helps us see that beauty more clearly. I've learned that through practice and prayer, we can also teach ourselves to see and appreciate the many beauties of this earth experience.

Wishing you all a beautiful month!

Warmly,

Randy Peterson and the Garden Park Bishopric

First Presidency Message on Covid-19

THE CHURCH OF
JESUS CHRIST
OF LATTER-DAY SAINTS

Official Church Announcements

Dear Brothers and Sisters:

We find ourselves fighting a war against the ravages of COVID-19 and its variants, an unrelenting pandemic. We want to do all we can to limit the spread of these viruses. We know that protection from the diseases they cause can only be achieved by immunizing a very high percentage of the population.

To limit exposure to these viruses, we urge the use of face masks in public meetings whenever social distancing is not possible. To provide personal protection from such severe infections, we urge individuals to be vaccinated. Available vaccines have proven to be both safe and effective.

We can win this war if everyone will follow the wise and thoughtful recommendations of medical experts and government leaders. Please know of our sincere love and great concern for all of God's children.

Relief Society Message

With the month of February, comes the focus on Love, as if it should not always be the focus. Think of how the world could be, if all of us would be actively seeking, to have the pure love of Christ, our ultimate example.

"Spread love everywhere you go. Let no one ever come to you without leaving happier." - Mother Teresa

Jesus washed the feet of the apostles at the Last Supper and used that opportunity to teach them: "I have given you an example, that you also should do as I have done to you" ([John 13:15](#)).

As we go about our day, let us be mindful of those around us. To share a smile or a kind word, can and does go a long way.

I am reminded of a talk by Elder Dieter F. Uchtdorf, from the October 2018 General Conference. I would like to share a small excerpt:

"Of course, we must do more than merely have an intellectual understanding of the gospel for it to have this healing influence in our lives. We must incorporate it into our lives—make it a part of who we are and what we do.

May I suggest that discipleship begins with three simple words:

Believe, love, and do.

Believing God leads to faith in Him and developing trust in His word. Faith causes our hearts to grow in our love for God and others. As that love grows, we are inspired to emulate the Savior as we continue our own great journey on the path of discipleship.

"But," you say, "that seems a bit simplistic. Life's problems, certainly my problems, are far too complex for such a simple prescription. You can't cure *Weltschmerz* with three simple words: *Believe, love, do.*"
It is not the aphorism that cures. It is the love of God that rescues, restores, and revives.

God knows you. You are His child. He loves you."

Know that we love you, we pray for you and that you are always in our thoughts.

Love,

Barbara Lund and the Garden Park Relief Society Presidency

Utah Crisis Food Response To those looking for volunteer opportunities in the Salt Lake area, there is an incredible non-profit organization called Utah Crisis Food Response that delivers food to lower income families, immigrants, those who lack transportation, and those who are homebound due to COVID-19. Due to the recent Omicron variant, demand has shot up, and volunteers are greatly needed on Wednesdays at 12 pm to deliver food boxes. All that is asked of volunteers is to arrive at a local food pantry at 12 pm, pick up several food boxes and deliver to the assigned individuals and families. The commitment typically takes 1 hour and blesses so many people's lives. If you are interested in helping out, you can contact Keith Burns at keithburns99@gmail.com. You can also just sign up for Wednesday shifts directly on our website at this link: <https://volunteersignup.org/W748F>.

Therefore, effective immediately, all temple patrons and workers are asked to wear face masks at all times while in the temple. These safety protocols are temporary, based on COVID-19 conditions, and will be rescinded as soon as circumstances permit."

TEMPLE UPDATE: Temples in Utah are again open for proxy ordinances. Patrons need to schedule in advance on-line through churchofjesuschrist.org/temples. Patrons are encouraged to bring their own temple clothing, although Temple clothing is available. We are so blessed to again have Temples open around us; some may have appointments available same day, while others may require more advance planning, but the websites, like the Temples, are patron friendly. The Bountiful Temple can be reached directly at (801) 296-2100 for operating hours and to make appointments.
