Dear Brothers and Sisters

In April of 2017, "Drawing the Power of Jesus Christ in Our Lives", by President Nelson, then the President of the Quorum of the Twelve Apostles, discussed the topic of coming closer to the Savior and drawing on His power to help navigate the trials and challenges of life. In the beginning it reads, "He warned us that in our day the adversary would stir up anger in the hearts of men and lead them astray. Yet our Heavenly Father never intended that we would deal with the maze of personal problems and social issues on our own." He then discusses several ways we can draw the Savior's power in our lives.

One way is reading and studying every citation in the Topical Guide about Jesus Christ, which is more than 2,200 of them. After doing so at the age of 92 and extensive dedicated church service he exclaimed he was a different man.

He also discussed the "The Living Christ" and urged us to read it as we seek to come closer to the Savior. In the last paragraph of "The Living Christ" it reads, "He is the light, the life, and the hope of the world. His way is the path that leads to happiness in this life and eternal life in the world to come." Yesterday, on Saturday September 18, as I sat and listened to the sweet funeral of Vella Neil Evans I was prompted to read "The Living Christ;" as the Evans cousins and spouses sang *Come Thou Fount of Every Blessing* I couldn't control my tears and feelings of the spirit. The spirit bore powerfully to me that the Savior's divine mission is unparalleled and not only for me but all mankind.

I am so grateful for the Savior and his mission. I know he lives and can't wait to see him again. In the name of Jesus Christ, Amen.

## First Presidency Message on Covid-19

THE CHURCH OF  
JESUS CHRIST  
OF LATTER-DAY SAINTS

Official Church Announcements

Dear Brothers and Sisters:

We find ourselves fighting a war against the ravages of COVID-19 and its variants, an unrelenting pandemic. We want to do all we can to limit the spread of these viruses. We know that protection from the diseases they cause can only be achieved by immunizing a very high percentage of the population.

To limit exposure to these viruses, we urge the use of face masks in public meetings whenever social distancing is not possible. To provide personal protection from such severe infections, we urge individuals to be vaccinated. Available vaccines have proven to be both safe and effective.

We can win this war if everyone will follow the wise and thoughtful recommendations of medical experts and government leaders. Please know of our sincere love and great concern for all of God's children.

The First Presidency  
Russell M. Nelson  
Dallin H. Oaks

## Relief Society

"Charity is having patience with someone who has let us down, it is resisting the impulse to become offended easily. It is accepting weaknesses and shortcomings. It is accepting people as they truly are. It is looking beyond physical appearances to attributes that will not dim through time. It is resisting the impulse to categorize others." -President Thomas S. Monson

The Guide to the Scriptures defines charity as "the highest, noblest, strongest kind of love". It is the pure love of Jesus Christ. I know that as we learn of Jesus Christ and strive to become like Him, we will begin to feel His pure love in our lives and be prompted to love and serve others as He would.

He is our greatest example.

I hope you all are well, we are grateful for you.

Please let us know if we can help you in any way,

Amy Furstenau and the GP Relief Society
